

NOAH BEDOUCH

Aspiring CS and engineering student with a passion for robotics and the performing arts.

I. EDUCATION

🏠 Clovis North High School Fall 2022 – Spring 2026

- GPA: 4.49
- AP Courses: AP Calculus BC (5), AP Physics C: Mechanics (5), AP Physics C: Electricity & Magnetism (4), AP United States History (5), AP Computer Science A (5), AP Language & Composition (5), AP Biology (5), AP World History (5), AP Human Geography (5)
- Academic Awards: Principal's Honor Roll, AP Scholar with Distinction, CSF Member

🏠 Stanford University Fall 2026 – Spring 2030

II. EXTRACURRICULAR ACTIVITIES

FIRST Robotics Team (Team 6305) Summer 2021 – Spring 2026

Director of Programming

- Led software development for team robot, including autonomous systems and mechanism/drive code.
- Developed scouting and inventory apps to streamline team operations.
- Taught and instructed a team of 10+ students on the basics of Java Programming and usage of FIRST's WPILib libraries.

Theatre Department Fall 2022 – Spring 2026

Lead Performer & Ensemble Member

- Major roles include Orpheus (Hadestown), Andre (The Father), Gabriel John Utterson (Jekyll & Hyde), and Theo (School of Rock).
- Active participant in school productions and community events.

Improv Team Fall 2022 – Spring 2026

Captain

Fall 2024 – Spring 2026

- Led rehearsals in the absence of our coach and mentored newer team members.
- Managed and facilitated team communication between members and our coach.

Member

Fall 2022 – Spring 2024

- Participated in weekly rehearsals and monthly performances.
- Contributed to improvisational games and sketches within our monthly performances.

Science Olympiad Fall 2024 – Spring 2024

Member

- Regional silver & bronze medalist.
- Qualified for state competition.

Chamber Choir Fall 2023 – Spring 2024

Performer

- Member of highest audition group choir at the school.
- Performed at school graduation and regional/state competitions, including Worldstrides Anaheim (group awards won).
- Selected for and attended CCDA Regional & All-State Honor Choirs.

III. WORK EXPERIENCE

✂ Screenworks - Smartphone, Tablet, & PC Repair Summer 2024 – Present

Hybrid Technician

Fresno, CA

- Performed technical repairs on a range of personal devices for customers.
- Supported customers at the front desk with diagnostics, check-ins, and sales.

IV. PROJECTS & TECHNICAL EXPERIENCE

BritishToastGames

- Co-founded indie game development studio; 1 game released as part of the 2025 GMTK Game Jam and working on an additional unreleased title as well as a public website.

V. SKILLS & INTERESTS

- **Programming:** Java, TypeScript, JavaScript, Python, etc.
- **Technologies:** 3D Printing, NextJs, MongoDB, Arduino, Godot
- **Interests:** Robotics, Game Development, Musical Theatre
